Creating FDLP reservoirs

Creating FDLP reservoirs (II)

- Things everyone can/should do:
  - Keep track of your favorite agency’s publications/data
  - Submit fugitives to GPO (and lostdocs.freegovinfo.info!)
  - Save documents to local Web servers and/or upload to the Internet Archive (“seeding the cloud”)
  - Build Web-harvested collections that your local community wants/needs
  - Join LOCKSS-USDOCS

This is YOUR FDLP. Participate!
Colophon

“...let us save what remains: not by vaults and locks which fence them from the public eye and use in consigning them to the waste of time, but by such a multiplication of copies, as shall place them beyond the reach of accident.”

— Thomas Jefferson, February 18, 1791
